

Enersol group for sale

Enersol is a strategic investment joint venture focused on acquiring technology-enabled companies in the oilfield services and energy sectors. Enersol is a joint venture of ADNOC Drilling

Enersol is acquiring the business for approximately \$45 million. It had previously been invested in by UK-private equity firm Dunedin, which first deployed capital into the business in 2014. The Calash

Enersol Group Profile and History Enersol Group is an oil field service company specializing in water transfer, flow-back, trucking, and roustabout services. They prioritize water management and

The sale is a step forward in TotalEnergies' #portfolio #rationalization efforts, which are aimed at acquiring high-potential, under-development assets while selling its mature assets.

As a leading provider of residential solar systems, Enersol experienced strong growth in the last three years after being acquired by Sonnen in 2019. Since then, the market demand for
